CANCELLATION AND NO SHOW POLICY

Our dental practice is no different than most time dependent businesses in that it runs by appointments. This assures you of the appropriate amount of time reserved for you and that the appointment following yours will be on time.

If you are late, the appointment will still end at the appointed time, even though we will do our best to complete your treatment. We try very hard to respect the times of all patients.

If you find it necessary to cancel or change an appointment, please allow at least 48 hours prior notice. We do realize that urgencies and emergencies do occur and we will try to be as understanding as possible for last minute changes in your schedule.

It has not been our policy to charge for broken appointments. However, if the same person or persons continues to do so, there will be a \$35 charge for each missed appointment.

We value you as a patient and hope that we can continue on a professional and sound basis.
